## Recognition of Sporting Achievements for 2026

Dear Parents,

If your son has represented the state, competed at nationals, placed in a state competition, or represented Australia in any sport during 2026, we would love to celebrate his achievements at our end-of-year Sports Assembly.

To help us recognise his efforts, please email the following to Mr. Leckie at [bleckie@ccgs.wa.edu.au](mailto:bleckie@ccgs.wa.edu.au)

- A photo of your son competing;
- A description of the sport and competition he was involved in;
- Where he placed in the event.

Thank you for helping us showcase the incredible talents and dedication of our Prep School students.
