

DID YOU KNOW?

Your son has fortnightly periods in the ARC (Academic Resource Centre)? In these periods we promote a wide range of books to cater for every type of reader in Year 7. You might not know that boys can borrow up to eight books at any one time! In addition, there's audio and eBooks available on our eLibraries. Here's some ways you can help encourage reading at home.

Ask him when his library period is and what he is reading at the moment.

1

Let him know what you're reading and your thoughts about it.

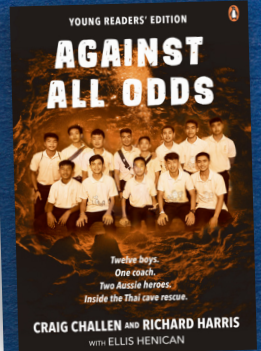

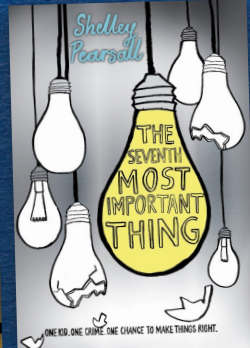

2

Read the same books and share your thoughts and be honest, it's okay to dislike a book.

3

Here are some **popular books** with our **Year 7s**. Has your son read any of these?

Here are some of our **Year 7** suggestions that are more of a **challenge**.
